## Important Travel Advice

### Names and spellings.

It is crucial that they match what is printed on your passport. If there is a mistake this will need to be changed, otherwise you may be refused travel.

### Passport expiry date.

Your passport must be valid for at least 30 days beyond the intended return date to your country of origin. If you hold a passport other than a British citizen passport, you should seek more specific travel advice from your embassy.

### Passport Copies.

It is recommended that you take photocopies of your important documents and keep in a separate place.

### Visas.

If you are not travelling on a UK Passport, it is your responsibility to check whether you require a Visa for entry to the Republic of South Africa.
