Important Travel Advice

Names and spellings.

It is crucial that they match what is printed on your passport. If there is a mistake this will need to be changed, otherwise you may be refused travel.

Passport expiry date.

Your passport must be valid for at least 30 days beyond the intended return date to your country of origin. If you hold a passport other than a British citizen passport, you should seek more specific travel advice from your embassy.

Passport Copies.

It is recommended that you take photocopies of your important documents and keep in a separate place.

Visas.

If you are not travelling on a UK Passport, it is your responsibility to check whether you require a Visa for entry to the Republic of South Africa.
