Health Risks

Immunisation:

When entering South Africa, no international immunisation is required, however, a yellow fever vaccination certificate is required from travellers if they enter South Africa within 6 days of leaving an infected country.

Our advice: Visit your local (travel) doctor to get up-to-date information about requirements when travelling.

DTP inoculation (diphtheria, tetanus and polio) is essential. Please visit the following web page for advice from the UK Foreign Office:

<https://travelhealthpro.org.uk/country/201/south-africa>

Malaria:

The Waterberg area of the Limpopo Province where Entabeni is located is malaria free.

<http://www.sa-venues.com/malaria-risk-areas.htm>

HIV/Aids in South Africa:

As in other countries, HIV/Aids is a serious concern in South Africa and one you must be aware of. You should always be careful when dealing with an injured person to avoid the risk of infection. Always take necessary precautions and avoid sexual contact.

Sun:

South Africa has a warm sunny climate, you should wear sunscreen and a hat whenever you are out of doors during the day, particularly between 10 am and 4 pm – regardless of whether there is cloud cover or not. Whatever your complexion you can still get sunburned if you are from a cooler climate. Sunglasses are also recommended as the glare of the African sun can be very strong.

Drinking Water:

Drinking water is available at the project; always make sure you keep hydrated.

USEFUL INFORMATION

AFRICA

Climate

Summers in the Limpopo Province are warm, temperatures may exceed 40c and winters are mild however temperature can fall to below 0c at night and early mornings.

Have a look at the accuweather website, link below, for more information:

<https://www.accuweather.com/en/za/sterkrivier/305655/weather-forecast/305655?city=sterkrivier>

Tipping

Whilst there is no obligation, it is a nice gesture to show your appreciation for the rangers and housekeeping staff by leaving a small tip/donation for the staff at the reserve when you leave; any amount is always appreciated.

Currency & Credit Cards

The currency for South Africa is the South African Rand (ZAR). Foreign exchange may be arranged at the airport or in major centres. It is not recommended that travellers carry large sums of cash, keep a reasonable amount on hand and primarily use credit cards.

All major credit cards are widely accepted at shops in large towns, the reserve does have credit card facilities.

Wise Travel Card offers up to £500.00 with no transfer fee for Gap Africa Project Travellers:

Phones & Internet

Mobile phone coverage is good at the accommodation, although there may be some areas on the reserve where there isn't any coverage. eSIM or purchasing a SIM card at the airport is another option

Wi-Fi is available at the accommodation however internet speeds are not up to international urban standards but are effective for communication.

We have partnered with Holafly, an eSim provider who have offered a 5% discount when you use the code GAPAFRICAPROJECTS

Benefits of an eSIM

Holafly

- Unlimited Data Plans
- Keep your WhatsApp number
- Immediate Delivery

Insurance

Personal travel insurance is compulsory. Travel insurance does not need to be expensive and there are many good deals available for backpackers etc. Always be sure to check the insurance details to make sure you are covered for Covid 19, theft, loss, illness and injury. Check to see if your medical benefits are paid out as they occur or on your return home.

Please follow this link to our preferred insurer:

<https://www.truetraveller.com/backpackers-insurance?tag=4480>

You should select 'Adventure Pack' as this will cover you for the type of activities you will undertake during your trip

Stay safe overseas – KBYG

The better prepared you are when you travel abroad the safer you will be. The Foreign, Commonwealth and Development Office offers 'Know Before You Go' travel advice, including simple precautions you can take before and during your trip.

To find out more, check out their website:

Passport Requirements

It can take many weeks to obtain a passport – remember to start this process in plenty of time.

Your passport needs to be valid for at least 30 days beyond your intended exit date and have at least two blank pages. You can check requirements by using the IATA Travel Centre site www.iatatravelcentre.com

Visa Requirements

A visa is not required for British Passport holders, all other nationalities should check the requirements via the website below, if required a visa can be obtained from the South African High Commission.

ACCOMMODATION & LIFESTYLE

AFRICA

Accommodation

The student centre and camp is based on the reserve and boasts ten tents that sleep four people per tent in single beds, each tent also has lighting and electricity supply. There are communal hot and cold showers and regular flushing toilets. The communal facilities include a lecture room, canteen, lounge, entertainment area and storage fridge.

The camp is fenced off inside the boundaries of the reserve, check out the aerial shot of camp! You can wake up and find an elephant 10 meters from your door!

Meals and free time

Three meals are provided daily on a self-cook basis, prepared communally by the group.

Students will take part in communal cooking and keeping the kitchen tidy. Breakfasts and evening meals are taken at the camp while lunch is normally in the field 'picnic' style.

Evening meals are enjoyed mostly in an outside dining area.

The biomonitoring team often work in the field 6 days a week so time off is often limited to Sundays only.

Most evenings are spent at leisure around the camp.
