of the project

# ABOUT THE PROJECT

AFRICA

## Location

- Staying in two locations on the Northeastern Coast
- Bonamanzi Game Reserve and St Lucia

# ABOUT THE PROJECT

AFRICA

## KwaZulu-Natal Community and Volunteering Project

The KwaZulu-Natal Community Volunteering project is located conveniently close to Durban (3 hours) on the KwaZulu-Natal North Coast in South Africa it is close to the beautiful St Lucia Wetlands, a UNESCO World Heritage Site

The main project location is Bonamanzi and the surrounding community; Bonamanzi is a Zulu word for “look water!” The nearest town is Hluhluwe which has South Africa’s oldest Game Reserve.

The second module of the project is located in St Lucia this is a small but quaint village that is becoming a top tourist destination, St Lucia is famous for its huge population of wild hippos.

KwaZulu-Natal including St Lucia is located in a low to no risk malaria area – Antimalarials are not usually advised.

# ABOUT THE PROJECT

AFRICA

## Bonamanzi

Bonamanzi is a privately owned Game Reserve, 4000 hectares in size with the Hluhluwe River on its Eastern border. Proclaimed a Natural Heritage Site in 1995 in recognition of the biodiversity of the Reserve it offers Sand Forests, Savanna and Wetland areas. This diversity is why Bonamanzi is recognized as one of the best birding destinations in Southern Africa.

# ABOUT THE PROJECT

AFRICA

## St Lucia Wetlands

**St. Lucia** is situated on the northern side of the estuary, the largest in Southern Africa, and is totally surrounded by the Greater St. Lucia Wetlands Park and World Heritage Site. The area is famous for its wetlands and is a fantastic opportunity to witness Crocodiles and Hippos in their natural environment.

## KwaZulu-Natal Community Volunteering Project

Students will be taught and have the opportunity to work alongside several inspiring professionals -

**Project Rhino.** - Project Rhino aims to educate school children on the conservation of Rhinos and the Rhino poaching crisis. It aims to increase relationships with game reserves and the neighboring communities. Project Rhino has reached over 700,000 school children in South Africa, educating these children about the importance of the natural world and the wildlife around them. Children attend presentations and are encouraged to produce artwork in support of the local wildlife. The education links directly to the Zulu culture

**Move Africa** - Champion and encourage girls on how to use menstrual cups as a sustainable solution to period poverty. In Africa 3 out of 10 girls miss out on a week of school every month, due to not being able to afford menstrual products. This has a huge impact on the girl's outlook. Move Africa's aim is to equip young women with sustainable sanitary ware and relevant education about menstrual cycles

## KwaZulu-Natal Community Volunteering Project

**Ndumu Charitable Foundation** – Focuses primarily on improving early childhood development and education within communities, particularly in the refurbishment of creches and nurseries. Projects include building and improving play equipment, painting the classrooms, digging vegetable gardens and talking to staff about the importance of correct nutrition. Ndumu are also passionate about installing libraries in primary schools.

## KwaZulu-Natal Community Volunteering Project

**Kingsley Holgate Foundation** – has supported conservation efforts and communities bordering wildlife parks throughout Africa for over a decade. Their Early Childhood Development programme works to improve the nutrition and education of over 3000 local children who live in rural communities on the boundaries of wildlife reserves.

**Woza Moya** – This charity aims to reduce poverty through arts and crafts. Woza Moya assists those in need to develop skills and learn how to turn their skills into an income by using local products. Woza Moya provides ongoing business mentorship to ensure the crafting can become a self-sustaining business. Since 2002 over 350 crafters have been supported

## KwaZulu-Natal Community Volunteering Project

**Khula Natural Health Clinic** – A busy community health facility in St Lucia, founded in 2017 focusing on Children’s and women’s health, through safe and affordable treatments using homeopathic remedies to complement Western medicine.

**Bonamanzi Conservation Foundation** – manages the day-to-day conservation management and research of the Big 4 Game Reserve. The foundation began in 2012 to re-establish land as a game reserve for wildlife. Wildlife conservation and community development are the foundation’s main objectives. Bonamanzi has an ongoing relationship with Cumbria’s Safari Zoo who are active in helping the reserve with their K9 unit.
