## Health Risks

### Immunisation:

When entering South Africa, no international immunisation is required, however, a yellow fever vaccination certificate is required from travellers if they enter South Africa within 6 days of leaving an infected country.

Our advice: Visit your local (travel) doctor to get up-to-date information about requirements when travelling.

DTP inoculation (diphtheria, tetanus and polio) is essential.

### Malaria:

We recommend that you visit the following UK Foreign Office webpage for up-to-date information on areas where there may be a low risk of malaria and for vaccine recommendations:

<https://travelhealthpro.org.uk/country/201/south-africa>

### Drinking Water:

Drinking water is available at the project (filtered rainwater); always make sure you keep hydrated.

### HIV/Aids in South Africa:

As in other countries, HIV/Aids is a serious concern in South Africa and one you must be aware of. You should always be careful when dealing with an injured person to avoid the risk of infection. Always take necessary precautions and avoid sexual contact.

### Sun:

South Africa has a warm sunny climate, you should wear sunscreen and a hat whenever you are out of doors during the day, particularly between 10am and 4 pm – regardless of whether there is cloud cover or not. Whatever your complexion you can still get sunburned if you are from a cooler climate. Sunglasses are also recommended as the glare of the African sun can be very strong.

# USEFUL INFORMATION

AFRICA

## Climate

KwaZulu-Natal is one of the cooler regions of South Africa, with an average daily high temperature of 25 C. The driest months are May to August, most rain days occur from October to January.

It can get very cold in the evenings and at night during the winter months, July being the coldest month.

Have a look at the accuweather website for more information, link below:

<https://www.accuweather.com/en/za/ladysmith>

## Tipping

Whilst there is no obligation, it is a nice gesture to show your appreciation for the rangers and housekeeping staff by leaving a small tip/donation for the staff at the reserve when you leave; any amount is always appreciated.

A 10% tip is normal for any café/restaurant when eating out.

## Currency & Credit Cards

The currency for South Africa is the South African Rand (ZAR). Foreign exchange may be arranged at the airport or in major centres. It is not recommended that travellers carry large sums of cash, keep a reasonable amount on hand and primarily use credit cards.

All major credit cards are widely accepted in main towns, although local communities only take cash.

Wise Travel Card offers up to £500.00 with no transfer fee for Gap Africa Project travellers:

## Phones & Internet

There are some areas on the reserves where there isn't any mobile phone coverage. There is no WiFi at Nambiti, you can access WiFi in the dining area at Zingela although this has restricted bandwidth so not all at once!

We have partnered with Holafly, an eSim provider who have offered a 5% discount when you use the code GAPAFRICAPROJECTS

## Benefits of an eSIM

Holafly

- Unlimited Data Plans
- Keep your WhatsApp number
- Immediate Delivery
- Uses both Vodacom and MTN the two major networks in South Africa

## Insurance

Personal travel insurance is compulsory. Travel insurance does not need to be expensive and there are many good deals available for backpackers etc. Always be sure to check the insurance details to make sure you are covered for Covid 19, theft, loss, illness and injury. Check to see if your medical benefits are paid out as they occur or on your return home.

We have an affiliation with True Traveller Insurance, please see link below for further information:

<https://www.truetraveller.com/backpackers-insurance?tag=4480>

You should select 'Adventure Pack' as this will cover you for the type of activities you will undertake during your trip. If using an alternative insurer, please make sure you are covered for light manual work.

## Stay safe overseas – KBYG

The better prepared you are when you travel abroad the safer you will be. The Foreign, Commonwealth and Development Office offers 'Know Before You Go' travel advice, including simple precautions you can take before and during your trip.

To find out more, check out their website:

<https://www.gov.uk/browse/abroad/travel-abroad>

## Passport Requirements

It can take many weeks to obtain a passport – remember to start this process in plenty of time.

Your passport needs to be valid for at least 30 days beyond your intended exit date and have at least two blank pages. You can check requirements by using the IATA Travel Centre site

[www.iatatravelcentre.com](http://www.iatatravelcentre.com)

## Visa Requirements

A visa is not required for British Passport holders, all other nationalities should check the requirements via the website below, if required a visa can be obtained from the South African High Commission.
