EQUINE PROJECT OVERVIEW

Overview and location
of the project

ABOUT THE PROJECT

AFRICA

Waterberg Equine Project

Our team and qualified rangers at the Waterberg Equine Project offer a bespoke course to each institution dependent on their own personal objectives and learning needs.

We set out the basis of the trip, comprising of a 10- day project staying at amazing Waterberg Cottages

A full day will be planned but will vary from day to day depending on the day's task and research goals.

PRESENTATION 19

Sample Itinerary

- Day 1: Upon arrival in Johannesburg, you will be met by a road transfer company that will take you to your destination in the bush. Once you arrive, you'll have time to check into your cottage and unpack. Afterwards, you'll enjoy an introductory lunch where you will meet your guides and hosts, followed by an orientation of the cottages and horses. In the evening, you can relax with sundowners under a large fig tree before enjoying a catered Braai dinner at the cottages.
- Day 2: In the morning, the group will split into two. One group will take a rural village tour to Boschdraai, a village on the property, where they will have the opportunity to visit modest homes, meet local people, and see animals and donkeys. The second group will take a guided walk through the bush, learning to track animals through spoor and dung. After lunch, the groups will switch activities in the afternoon, with one group going on a game drive and the other group taking their first horse safari. In the evening, everyone will gather for a memorable astronomy show with Dr. Phil Calcott, where you'll gaze at the stars while relaxing in the bush with blankets, pillows, and hot water bottles.
- Day 3: The morning will again see the group divided into two. One group will go on a guided bush walk, while the other will take the rural village tour to Boschdraai. In the afternoon, the groups will switch again, with one group enjoying another horse safari and the other heading out for a game drive. The day will end with sundowners at the Bush Deck, followed by a catered dinner.
- Day 4: On this day, one group will engage in community work, either helping to paint the community center or building kennels for the local animal shelter, while the other group will go on a longer horse safari to search for larger herds of game. After a picnic lunch in the gardens, all students will participate in bush clearing, where they will remove any wire or dangerous objects from the bush. In the evening, a catered dinner will be served.
- Day 5: You will begin the day with a packed breakfast before heading out for a full-day excursion to Entabeni Game Reserve, where you'll go on a series of Big 5 game drives. A packed lunch will be provided by the pool, and the day will conclude with a catered dinner back at the cottages.

YOUR PROJECT

Sample Itinerary

- Day 6: The morning will start with herding, feeding, and tacking up the horses. Afterward, the group will split again, with one group going on a longer horse safari while the other participates in community work. In the afternoon, everyone will meet for donkey welfare work in the town of Vaalwater, where they will assess the condition of donkeys, treat wounds, and fit new harnesses and bridles. The day will finish with dinner at a restaurant in Vaalwater.
- Day 7: On Sunday, you will begin by herding and manually dipping horses to prevent ticks. Later, Vet Nurse Kirsty will give a lecture covering equine diseases in South Africa, tick prevention and treatment, and basic horse first aid. After lunch, the group will split again, with some continuing community work and others doing bush clearing. The day will conclude with a catered Braai dinner.
- Day 8: This will be your day off, with options such as the Lekhalo zipline, massages, an extra horse safari, relaxing by the pool, or a tour of Leorna. A catered lunch and dinner will be provided.
- Day 9: In the morning, one group will engage in bush clearing work, while the other goes on a third horse safari. After lunch at the Bush Deck, all students will participate in an Aardvark safari. This will begin with a presentation on Aardvarks, followed by a game drive to track and observe these unique animals.
- Day 10: The morning will begin with a walking trail through the bush, followed by a hands-on session learning basic farriery, including trimming horse hooves. In the afternoon, the group will split, with one group taking a final horse safari and the other continuing community work. The evening will feature sundowners at the pool and a catered dinner.
- Day 11: On your final day, your transfer will take you to Horizon Horseback, where you will see a large herd of over 110 horses and watch a demonstration based on Monty Roberts' horse training methods. On the way back, you'll visit Prime Crew Animal Shelter to deliver the dog kennels you helped build. Afterward, you will be taken to OR Tambo Airport in Johannesburg for your evening flight home.

The background image is a composite of two African savanna scenes. The left side shows a body of water with reeds and a donkey's head in the foreground. The right side shows a grassy field with two giraffes and a donkey's head in the foreground. A semi-transparent circular graphic is overlaid on the center.

WHY SHOULD YOU TRAVEL?

Quotes from this students

- "We were busy with the most amazing activities, whilst being looked after exceptionally well and having the most amazing time."
- "Everyone was so happy and relaxed all the time, helped even more by the stunning scenery!"
- "While being over there I noticed how little we all used social media. On the nights we would sit in groups by the fire. Me and my friends would sit by the fire near the kitchen area for hours with hot chocolate just talking and having fun without any phone. It was refreshing"
- ' Everything! Best trip I've ever been on the staff were welcoming and so kind and really made us feel like home. "
- "All the different activities we did like game drives riding and community work was so amazing and the activities we did outside of the cottage were so fun and the staff there were just as amazing. "

Your Booking
Travel Advice

Names and spellings
It is essential that you take photographs of your important documents and keep them in a separate place.

Passport expiry date
Your passport must be valid for at least 30 days beyond the intended return date to your country of origin. If you hold a passport other than a British citizen passport, you must seek more specific travel advice from your embassy.

Passport Copies
It is recommended that you take photographs of your important documents and keep them in a separate place.

Travel insurance
It is essential that you take out the appropriate travel insurance for your trip. Please remember to take the certificate and policy wording booklet with you when you travel. For our preferred travel insurer please visit:

Payment Methods
Cheques: Payable to GAP AFRICA PROJECTS LTD
Bank Transfer: Account No: 83609758
Sort Code: 20-46-73
Swift: BARCGB22
IBAN: GB083704030467363609758

For all bank transfers, please use your surname and booking number 4413 as reference. For transfers outside of the UK, please ensure that international transfer charges are covered when making the transaction.

This is an important document. Make sure that you take it with you when you travel.

ATOL Certificate

This confirms that your money is protected by the ATOL scheme and that you can get home if your travel company collapses.

This certificate sets out how the ATOL scheme will protect the people named on it for the parts of their trip listed below.

Who is protected? Number of passengers: 18

What is protected?

You can find more detailed information on your booking, including price, on the confirmation you will receive from Gap Africa Projects Limited.

Who is protecting your trip?
Gap Africa Projects Limited ATOL Number 10890

Your protection
You are protected from when you were given this certificate to the end of your trip.
If Gap Africa Projects Limited stops trading, the passengers named above will either:
1 complete their trip and return to the UK, or
2 receive a refund.
Your protection depends on the terms of the ATOL scheme (available at www.atol.org.uk).

If Gap Africa Projects Limited stops trading, you must follow the instructions at www.atol.org.uk (where there will be details of arrangements to bring people back to the UK, and information on how people can claim their money back) or you can call (+44) 20 7453 6350.

By issuing this ATOL Certificate, under Regulation 17 of the Civil Aviation (Air Travel Organisers' Licensing) Regulations 2012, Gap Africa Projects Ltd confirms that the trip to which it applies is sold in line with the ATOL held by the organiser named above. The ATOL scheme is run by the Civil Aviation Authority and paid for by the Air Travel Trust. To see what that is and what you can expect, together with full information on its terms and conditions go to www.atol.org.uk. As well as the protection of the ATOL scheme, you have protection under the Package Travel Regulations. For more information see www.direct.gov.uk in the Travel and Transport section.
