## Important Travel Advice

### Names and spellings

It is crucial that the names printed on your documents match your passport. If there is a mistake this will need to be changed, otherwise you may be refused travel or have to purchase a new flight ticket. Name changes are not permitted at the airport.

### Passport expiry date

Your passport must be valid for at least 30 days beyond the intended return date to your country of origin. If you hold a passport other than a British Citizen passport, you should seek more specific advice from the embassy.

### Passport copies

It is recommended that you take photocopies of your important documents and keep in a separate place.
