The Rhino Orphanage

The Rhino Orphanage was the first-ever specialised, non-commercial centre dedicated to the rescue, rehabilitation, raising and release of orphaned rhinos back into the wild.

Although new-born rhinos can weigh up to 50kgs, they are essentially "helpless" and require protection so that they may survive and ultimately thrive.

Dr Pierre Bester - Wildlife Veterinarian

Rhino orphanage veterinarian, Dr Pierre Bester has a mixed animal practice treating large and small domestic animals as well as wildlife. The main scope of his work includes the and immobilisation, treatment, translocation of African wildlife. including megaherbivore: rhinos and elephants.

He has been involved with the immobilisation and translocation of thousands of rhinos, as well as countless other species.

Dr Zoë Glyphis – Wildlife Veterinarian – Predator Specialist

Dr Zoë Glyphis has become one of South Africa's leading predator specialists and is on the forefront with veterinary medicine and veterinary assistance of wild dog, hyena and cheetah conservation all over South Africa.

She is helping and assisting several NGO groups and organisations with their efforts to increase predator ranges and to establish safe and genetically viable populations in new conservation areas.

Entabeni Villas

Each Villa offers a spacious and open plan layout, with a lounge and dining area as well as a fully equipped kitchen for self-catering getaways. The luxurious African-inspired interior with its natural palette contributes to the luxury that accompanies the relaxing atmosphere at every Legend Safari Villa

The Villas have a variety of 3, 4, 5, and 6 Bedroom Self-Catering Units.

Currency & Credit Cards

The currency for South Africa is the South African Rand (ZAR). Foreign exchange may be arranged at the airport or in major centres.

It is not recommended that travellers carry large sums of cash, keep a reasonable amount on hand and primarily use credit cards.

All major credit cards are widely accepted.

Travel Cards are very useful; preload before travelling and the best exchange rate is used. Wise Travel Card offers up to £500.00 with no transfer fee for GAP Africa Projects travellers

Tipping

Whilst there is no obligation, it is a nice gesture to show your appreciation for the rangers and housekeeping staff by leaving a small tip/donation for the staff at the reserve when you leave; any amount is always appreciated.

Phones & Internet

Mobile phone coverage is good at the accommodation, although there may be some areas on the reserve where there isn't any coverage. eSIM or purchasing a SIM card at the airport is another option Internet access via Wi-Fi is available (bandwidth might be limited).

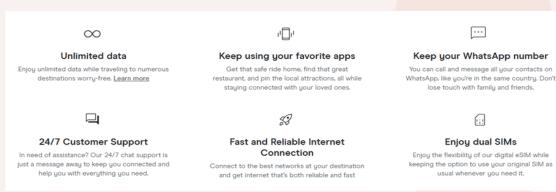

We have partnered with Holafly eSim provider 5% discount use code GAPAFRICAPROJECTS

Benefits of an eSIM Holafly

- Unlimited Data Plans
- Keep your WhatsApp number
- Immediate Delivery
- Uses both Vodacom and MTN the two major networks in South Africa

Health Risks

Immunisation:

When entering South Africa, no international immunisation is required., however, a yellow fever vaccination certificate is required from travellers if they enter South Africa within 6 days of leaving an infected country.

Our advice: Visit your local (travel) doctor to get up-to-date information about requirements when travelling.

DTP inoculation (diphtheria, tetanus and polio) is essential. Please visit the following web page for advice from the UK Foreign Office:

https://travelhealthpro.org.uk/country/201/southafrica

Drinking Water:

Drinking water is available at the project; always make sure you keep hydrated.

HIV/Aids in South Africa:

As in other countries, HIV/Aids is a serious concern in South Africa and one you must be aware of. You should always be careful when dealing with an injured person to avoid the risk of infection. Always take necessary precautions and avoid sexual contact.

Sun:

South Africa has a warm sunny climate, you should wear sunscreen and a hat whenever you are out of doors during the day, particularly between 10am and 4 pm – reg<mark>ardless of whet</mark>her there is cloud cover or not. Whatever your complexion you can still get sunburned if you are from a cooler climate. Sunglasses are also recommended as the glare of the African sun can be very strong.

Malaria:

The project is located in a malaria free area http://www.sa-venues.com/malaria-riskareas.htm

Insurance

Personal travel insurance is compulsory. Travel insurance does not need to be expensive and there are many good deals available for backpackers etc. Always be sure to check the insurance details to make sure you are covered for Covid 19, theft, loss, illness and injury. Check to see if your medical benefits are paid out as they incur or on your return home.

You should select 'Adventure Pack' as this will cover you for the type of activities you will undertake during your trip

Load Shedding

Scheduled blackouts/power cuts - the team will inform you when the power will be off, normally for 2-4h at a time.

Passport Requirements

It can take up to 6 weeks to obtain a passport – remember to start this process in plenty of time.

Your passport needs to be valid for at least 30 days beyond your intended stay and have at least two blank pages.

Stay safe overseas – KBYG

The better prepared you are when you travel abroad the safer you will be. The Foreign, Commonwealth and Development Office offers 'Know Before You Go' travel advice, including simple precautions you can take before and during your trip.

To find out more, check out their website:

https://www.gov.uk/browse/abroad/travel-abroad

Visa Requirements

A visa is not required for British Passport holders, all other nationalities should check the requirements via the website below, if required a visa can be obtained from the South African High Commission.

Useful Apps for Next of Kin

We recommend that Next of Kin also download and set up the following app, we have found this to be useful in knowing where are students whilst on the trip!

Flightrader24 – very useful for tracking flights, showing departure times, any delays and flight location in travel.

Life360 – is great for following them on their journey.
