A large male lion with a thick, golden-brown mane is the central focus on the right side of the image. To its left, a group of approximately 15 people, including children and adults, are posing for a photo. Some are standing, while one person is lying on the grass in the foreground. They are in a savanna-like environment with dry grass and some green shrubs. In the background, a wooden structure, possibly a viewing platform or part of a lodge, is visible under a clear blue sky. A semi-transparent blue arc is overlaid on the top left of the image.
