WHY SHOULD I TRAVEL?

AFRICA

What do previous travellers say about the Shamwari Conservation Expedition?

"All the staff were super friendly and helpful and made everyone feel at home. The rangers made the experience so much fun by taking the time to get to know everyone, allowing everyone to get comfortable. The hands-on experience along side the ranger never ending knowledge makes for a very exciting and interesting trip. I would definitely come back!!" - Skye Burns

"I genuinely could not recommend this programme more! I was so stressed before starting, but the staff here are truly incredible and passionate and they made me feel so welcome. I enjoyed every moment of my time with them. I will definitely be returning one day because this experience truly changed my life. Thank you all so much!" - Robyn Barlow

"Coming to Shamwari has been one of the greatest experiences of my life. I've enjoyed every single second and all of the staff are so kind and welcoming." - Skye Evans
