

# BISHOP BURTON COLLEGE PROJECT PRESENTATION

## KwaZulu-Natal Conservation Research

**GLOBAL** reach. **ADVENTURE** for all. **PROJECTS** to inspire.

# ABOUT US:

AFRICA

## GAP Africa Projects

- We are a specialised travel company that offers academic trips and volunteering opportunities for groups and individual travellers, in a number of locations worldwide
- We pride ourselves on curating experiences which are personalised to your needs and requirements
- Our first project travelled in 2012
- Full ATOL Bonding
- Working with over 55 Colleges and Universities around the UK
- A small dedicated team in the UK and South Africa.

# KWAZULU-NATAL PROJECT OVERVIEW

Overview and location  
of the project

# ABOUT YOUR PROJECT

AFRICA

## Project Location

# ABOUT THE PROJECT

AFRICA

## Your Conservation Field Trip Explained

- A unique academic conservation experience based in South Africa
- Live and work in the wild of Africa
- The opportunity to experience hands on wildlife conservation
- Bespoke, tailor made projects to suit research requirements
- Project Activities include:
  - Pioneering Conservation Research
  - Conservation Activities
  - Cultural Enrichment
- Full 14 nights in South Africa
- All-inclusive experience
- The most incredible wildlife experience you will ever have

# ABOUT THE PROJECT

AFRICA

## What is a Game Reserve?

- A game reserve is a large area of protected land where wild animals can live safely.
- Wildlife is free roaming throughout the reserve allowing them to thrive in their natural habitat.
- Reserves are either Government Owned (National Parks) or Privately Owned/Managed.
- Most reserves will have physical boundaries i.e. electrified fence line.
- Due to physical boundaries, wildlife must be managed due to restraints on population growth, migration and resources.
- Wildlife is protected but also utilised as a tourist attraction (Eco Tourism) which creates funding for conservation efforts and research.

# ABOUT THE PROJECT

Our conservation work  
in more detail

# ABOUT THE PROJECT

AFRICA

## KwaZulu-Natal Conservation Research

Our academic team and qualified rangers at the KwaZulu-Natal Conservation Research Project offer a bespoke course to each institution dependent on their own personal objectives and learning needs.

We set out the basis of the trip, comprising of a 14-night academic module split between the two conservation reserves

A full day will be planned but will vary from day to day depending on the days task and research goals.

The project split and duration are as follows:

### 14 Night Itinerary

#### 7 Nights

Nambiti Big 5 Conservation Research

#### 7 Nights

Zingela Wilderness Conservation and Adventure Activities

AFRICA

# 7 Nights at Nambiti Game Reserve

A Big Five Game Reserve

# ABOUT THE PROJECT

AFRICA

## Nambiti Game Reserve

**Nambiti Game Reserve** is a magnificent 23,000 acres of unspoiled wilderness boasting the Big 5 and incredible biodiversity (grasslands, riverine bush, savannah and thornveld) offering unprecedented diversity of wildlife.

# YOUR PROJECT

AFRICA

## Your Conservation Programme – Nambiti

Students will be taught and work alongside the field guides and conservation team. The following examples depict the day-to-day activities that may be undertaken as part of the project at Nambiti.

- Alien Vegetation Control / Reserve Maintenance
- Use of Telemetry Tracking
- Elephant Monitoring / Population Study
- Rhino Monitoring – Awareness
- Anti-poaching talk and fence walk
- Camera Trapping
- Night Drive
- Big Five Bush Walk
- Habitat and Prey Selection of Predators
- Tracks, Signs and Spoor
- Community Development

## Research – Habitat and Prey Selection: Predators

Focus on Lion and Cheetah populations:

GPS coordinates from tracking collars

Can be used for movement/spatial/home range analysis

## Wildlife Monitoring – Elephant Impact Assessment

Research into impact of elephant on the eco system:

Matriarch collared so GPS range data available

Herd population data

Elephant impact assessments from February '23

Long term ongoing project looking at elephant impact on vegetation

# 7 Nights at Zingela Nature Reserve

River Research and Adventure

## Your Conservation Programme – Zingela

Students will be taught and work alongside the field guides and scientific team. The following examples depict the day-to-day activities that may be undertaken as part of the project at Zingela Reserve.

- Spatial Distribution and Habitat use of species
- Use of Telemetry Tracking
- Giraffe migration and Conservation Project
- Reptile pit fall traps
- Freshwater Ecology
- Mini SASS
- Fish Tagging
- Bird Ringing
- Educational Bush Walks – Ecology & Botany
- Tracks, Signs and Spoor
- Community Development
- Camera Trapping and data processing

# ABOUT THE PROJECT

AFRICA

## Zingela River Safari

**Zingela Wildlife Reserve** covers 12,500 acres of predator free, pristine African bushveld. You will have the opportunity to be involved with the research that takes place at the property;. You will also have the chance to participate in a host of activities during your stay.

# ACCOMMODATION

AFRICA

## Food at the project

Three meals are provided a day prepared by the kitchen staff.

Breakfasts will consist of toast and cereals; lunch may include pasta, wraps, burgers, stir fry; dinners include meat, fish and vegetables with rice, potatoes or pasta.

On weekends a braai (BBQ) is often organised.

Please advise us of any dietary requirements in advance so we can ensure that you are adequately catered for.

lifetime!

# WHY SHOULD I TRAVEL?

AFRICA

## What do previous travellers say about the KwaZulu-Natal Conservation Research?

"It was the most **amazing** experience I've ever had."

"I learnt so many new things that have **educated** me **beyond** classroom curriculum"

"There wasn't a single experience that didn't **amaze** me and make me feel **enriched**."

Reference: GAP Africa Projects Post Project Trip Questionnaire 23/24

# WHY SHOULD I TRAVEL?

AFRICA

## What do previous travellers say about the KwaZulu-Natal Conservation Research?

"Being at Nambiti really developed my knowledge of animal behaviours"

Everything **exceeded** my expectations, and the trip was **life-changing.**"

Our guide was **amazing**, we got the **opportunity** to take part in talks and demonstrations by APU

# WHAT'S INCLUDED

AFRICA

## What is included?

- Flights
- Transfers to/from project
- Accommodation
- Three meals per day
- All activities as part of the project
- Airport meet/greet
- 24/7 In country support

## NOT Included

- Personal Travel Insurance \*
- Meals on travel days – before arriving & after departing from project
- Any activities not specified as part of the project
- Visas/travel documents

\*Provided by the college – please confirm with your college the details of the insurance provided.

## Sustainability & Social, Economic Responsibility

**Local employment from rural communities** – our project partners employ a high percentage of staff from local communities. They advocate training to advance careers in hospitality, wildlife and conservation.

**Low environmental impact camps** – our project bush camps are built with minimal impact on the environment. Resources from the surrounding area are utilised for buildings, water is (where possible) pumped from local river sources and green energy supplies, such as solar are championed.

**Community donations and support** – we encourage all our international study groups to be proactive in donation collections and arrange for excess baggage for said donations to be taken out to South Africa in support of the local communities.

**Move Africa, supporting young females** – 3 in 10 girls in South Africa miss a week of school every month because they cannot afford basic sanitary products. Our project partners work with Move Africa alongside their partner NGOs, to distribute menstrual cups to the local communities and provide education workshops.

**Rhino Art** – Project rhino realises the enormous responsibility the youth have to ensure our wildlife is protected for many generations to come. They ensure they can reach and educate as many kids as possible through Rhino Art, using art workshops to teach about conservation. This initiative is supported by our local project partners.

**Food/crop education** – our project partners encourage food and crop education to rural communities, where cost of living to low income families and distance travelled to obtain basic resources can prove problematic. Projects include community allotments and providing education on best practice for crop rotations, harvest seasons and nutrition.

**Recycling workshops** – Litter, and in particular plastics, is a major issue and threat to the ecosystem in Southern Africa. Rural communities have limited waste removal available and it is therefore a problem escalating at an alarming rate. Recycling workshops are provided through local schools to help educate children on the importance of correctly disposing of litter and recycling plastics.

**GLOBAL** reach. **ADVENTURE** for all. **PROJECTS** to inspire.
