Important Travel Advice

Passport expiry date

Your passport must be valid for at least 3 months beyond your date of departure from the Canary Islands to your country of origin and must be no more than 10 years old. If you hold a passport other than a British Citizen passport, you should seek more specific advice from the embassy.

It is crucial that the names printed on your documents match your passport. If there is a mistake this will need to be changed, otherwise you may be refused travel or have to purchase a new flight ticket. Name changes are not permitted at the airport.

Passport copies

It is recommended that you take photocopies of your important documents and keep in a separate place.
