

Sports Physiotherapy Internship – Castries, St Lucia

Project Overview

The Sports Physiotherapy Internship in Castries, St Lucia gives you the opportunity to work closely with professional physiotherapists to gain hands-on clinical experience supporting athletes across various sports, including national teams and community clubs on the island. You'll contribute to injury prevention, rehabilitation, assessment and treatment in both clinic and field settings, working under the guidance of experienced practitioners. This placement is ideal for students or early-career physiotherapists looking to achieve signed off placement hours, or gain practical experience in a real-world international sports environment.

**Must have completed 2nd year Sports Physiotherapy Degree*

Living in Castries & Free Time

Castries is the bustling capital of St Lucia, known for its beaches, tropical climate, and friendly community. You can explore local attractions such as Rodney Bay, visit rainforests and sulphur springs, enjoy Caribbean cuisine, or relax on sandy beaches.
