USEFUL INFORMATION

Health Risks

Immunisation:

Contact your GP around 8 weeks before your trip to check whether you need any vaccinations or other preventive measures. The following website offers up to date information for travellers to the Canary Islands:

<https://travelhealthpro.org.uk/country/203/canary-islands-spain>

Drinking water:

Bottled water for drinking, the tap water is desalinated and does not have a pleasant taste. Bottled water can be purchased in the local supermarket.

We highly recommend purchasing bottle water

Sun:

Tenerife has a warm sunny climate, you should wear sunscreen and a hat whenever you are out of doors during the day, particularly between 10am and 4pm – regardless of whether there is cloud cover or not. Even if you have a dark complexion, you can still get sunburned if you are from a cooler climate and have not had much exposure to the sun. Sunglasses are also recommended, as the glare of the sun can be very strong.

Stay Safe Overseas – KBYG:

The better prepared you are when you travel abroad the safer you will be. The Foreign, Commonwealth & Development Office offers 'Know before you go' travel advice, including simple precautions you can take before and during your trip.

To find out more, check out their website:

<https://www.gov.uk/browse/abroad/travel-abroad>

USEFUL INFORMATION

Insurance

Personal travel insurance is compulsory. Travel insurance does not need to be expensive and there are many good deals available for backpackers etc. Always be sure to check the insurance details to make sure you are covered for Covid 19, theft, loss, illness and injury. Check to see if your medical benefits are paid out as they incur or on your return home.

You should select 'Adventure Pack' as this will cover you for the type of activities you will undertake during your trip.

Travel Adapter

It is important you take the right travel adapter so you can charge your phone, and other devices, whilst away.

Passport Requirements

It can take up to 6 weeks to obtain a passport – remember to start this process in plenty of time.

Your passport must have a 'date of issue' of less than 10 years on the date you arrive.

Passports must be valid for 3 months beyond the planned date of departure.

You can check the requirements at the IATA Travel Centre site.

www.iatatravelcentre.com

Visa Requirements

A visa is not required for British passport holders.

You can check the following website for visa information:

Tenerife has a generally dry, warm climate with the South of the island being slightly sunnier and experiencing more daylight hours with the North experiencing more rainfall.

Tipping

Whilst there is no obligation, it is a nice gesture to show your appreciation for the project and housekeeping staff by leaving a small tip/donation when you leave; any amount is always appreciated.

Currency & Credit Cards

The euro is the currency of Spain and the Canary Islands. Credit and debit cards are readily accepted at hotels, restaurants and most supermarkets.

It is not recommended that travellers carry large sums of cash, keep a reasonable amount on hand and primarily use debit/credit/travel cards.

Travel Cards are very useful; preload before travelling and the best exchange rate is used. Wise Travel Card offers up to £500.00 with no transfer fee for GAP Africa Projects travellers.
