Examples include:

- Visit to Kragga Kamma (a local wildlife park)
- Visit to Jeffrey's Bay (home of surfing South Africa)
- Visit to the Penguin and Seabird Rescue Centre
- River Cruise, Dancing, Dinner & Shopping

Your travel insurance **must** cover you for all the activities/excursions.

Kragga Kamma Game Park

Experience the natural beauty of the luscious South African landscape and diverse wildlife up close and personal at Kragga Kamma Game Park.

The park's lush coastal forest and grassland plays home to vast herds of African game including White Rhino, Buffalo, Cheetah, Giraffe, Zebra, Nyala, Bontebok, Lechwe and many more species. The animals roam freely, unrestricted in their natural surroundings giving you the opportunity to view the animals in the most peaceful, natural state.

Your visit will include a 2-hour guided game drive in an open Game Viewer accompanied by a professional guide. Learn fun facts and detailed information about the animals found in the park as well as the historical background of the area.

You can also engage in birdwatching from the Treetop Boardwalk or take a tranquil stroll along The Monkey Walk with the opportunity to see vervet monkeys, cheetahs and even the shy and elusive blue duiker.

Day Trip to Jeffrey's Bay (J Bay)

Jeffrey's Bay is a surfer's haven on the Sunshine Coast in the Eastern Cape. It is also home to the best right hand surf break in the world and annually hosts the Surf Pro, a World Championship Tour event.

The bustling town is bordered by nature reserves and rivers to create a paradise of sunshine, shopping and surfing with a thriving local craft industry.

J Bay is more than just a surf town. It was once a port for coasters (vessels used to transport cargo and passengers along the coast) and received its name from the nineteenth century trader J.A. Jeffrey.

You will have time to:

- Try your hand at Sandboarding
- Enjoy lunch at the beach
- Visit the Billabong factory shop in the J Bay Surf Village

Penguin and Seabird Rescue Centre

The Southern African Foundation for the Conservation of Coastal Birds (SANCCOB) Eastern Cape, located in Port Elizabeth (officially renamed Gqeberha), is a rescue facility for seabirds. Here, birds that have been oiled, stranded, injured or abandoned are nursed back to health. Their work is critical, as the African penguin population has recently declined.

You will have the opportunity to visit and have a tour of the Seabird Rescue Centre and learn more about survival of the critically endangered African Penguin and other seabirds in distress. There is a shop to buy souvenirs.

Lunch will be arranged at a beachfront restaurant and there may also be time to enjoy a stroll along the beachfront and take a walk down the length of Shark Rock pier.

River Cruise, Dancing, Dinner & Shopping

During your stay in Port Elizabeth, you will have free time to visit its beautiful beaches, explore the diverse wildlife and nature reserves, rich cultural heritage, friendly locals, and vibrant arts and food scene. It is an outdoor-lover's paradise.

- Sundays River boat cruise - observe native bird species and gaze in wonder at the towering Alexandria Dune Sea
- Traditional braai - South African social tradition centered around an outdoor barbecue, usually over a wood or charcoal fire
- Traditional gumboot dance lesson - a high-energy South African art form involving stomping, slapping, clapping, and sometimes singing or chanting, all performed while wearing wellington boots
- Traditional African 'bushcamp' - often referred to as a boma dinner, a cultural experience where guests dine around a central fire, enjoying local dishes and entertainment like storytelling, drumming, and traditional dancing under the stars
- Visit to Bay West Mall - the Eastern Cape's largest shopping centre, packed with retail, entertainment and food outlets

Parkrun (Hobie Beach)

Kick off your Saturday with the Hobie Park Run, a free and friendly 5km right on the beachfront. Whether you're here to compete, stay sharp, or just enjoy the vibes and socialise, this run is the perfect way to start your weekend.

The route takes you along the boardwalk to MacArthur Pools, onto the beach, and all the way to the harbour wall—touch it, turn around, and race back the same way. The finish is clearly marked near the grass embankment steps.

Why join?

- Great atmosphere with locals and visitors
- Scenic coastal route (yes, the beach stretch will test your legs!)
- Competitive edge: Your result includes Age Grading, letting you compare your performance against other athletes
- Completely FREE

Bring your energy, bring your barcode, and see how fast you can go!

5-a-Side Football

Fancy sharpening your competitive edge with the locals whilst in the sun? Five-a-side football is the perfect way to do it!

If you're new to the sport, here's what to expect:

- Each team plays with five players – four outfield and one goalkeeper.
- The action takes place on a smaller, fast-paced pitch with smaller goals and shorter match durations, meaning plenty of touches and constant involvement.
- You'll go head-to-head with local teams, giving you the chance to enjoy friendly competition, test your skills, and socialise with the Port Elizabeth community.

Matches take place every Wednesday – the perfect mid-week boost of energy, teamwork, and fun and all organised by the GAP Africa team.

A young man in a blue shirt and orange life vest is seen from the back, looking out at a beach. A woman in a black and orange life vest is smiling next to him. The background shows a beach with people, buildings, and a cloudy sky.

PRE DEPARTURE INFORMATION

Travel details, kit lists and Q&A

Current Information relating to your Flights

Currently Qatar are working approximately 7 days ahead

So far, we have rebooked all groups up to the 18th March on alternative flights from LHR

Scenario A: Airspace reopens & foreign office lifts travel advice

Option 1 – Proceed as Planned

No changes to your current flights or project placements. Your itinerary remains exactly as booked, and the trip proceeds as scheduled.

Option 2 – Reroute, Avoiding the Middle East

If you would prefer to avoid the Middle East entirely, we can explore alternative routing. Please note that this would result in the loss of your current Qatar Airways airfares, as the tickets are non-transferable. A new group flight allocation would need to be sourced, and revised fares would apply. We would provide you with full costings before any decision is made.

Scenario B: Airspace remains closed at the time of travel

Should the airspace remain closed and travel via Doha not be possible, the following options are available:

Option 1 – Rebook with an Alternative Airline

Option 2 – Cancel the Trip

A full trip cancellation, with a request to Qatar Airways for a refund of the flights. Eligibility for a refund is subject to the airline's policies, given the circumstances, and we will pursue this on your behalf as a priority. Any project costs and GAP Africa fees would be subject to our standard terms and conditions.

Option 3 – Rebook with Qatar Airways for a Future Date

Practical Advice

Power / Electricity

It is important that you take the right travel adapter so you can charge your phone and other devices whilst away.

Drinking Water:

Drinking water is available at the project; always make sure you keep hydrated and have packed an insulated water bottle. We recommend taking concentrated squash as the water will taste different from home.

Insurance

Personal travel insurance is compulsory. Travel insurance does not need to be expensive and there are many good deals available for backpackers etc. Always be sure to check the insurance details to make sure you are covered for Covid 19, theft, loss, illness and injury. Check to see if your medical benefits are paid out as they incur or on your return home.

You should select 'Adventure Pack' as this will cover you for the type of activities you will undertake during your trip.

Passport Requirements

It can take up to 6 weeks to obtain a passport – remember to start this process in plenty of time.

Your passport needs to be valid for at least 30 days beyond your intended stay and have at least two blank pages.

Stay safe overseas – KBYG

The better prepared you are when you travel abroad the safer you will be. The Foreign, Commonwealth and Development Office offers 'Know Before You Go' travel advice, including simple precautions you can take before and during your trip.

To find out more, check out their website:

<https://www.gov.uk/browse/abroad/travel-abroad>

Visa Requirements

A visa is not required for British Passport holders, all other nationalities should check the requirements via the website below, if required a visa can be obtained from the South African High Commission.

<http://www.dha.gov.za/index.php/immigration-services/exempt-countries>

Health Risks

Immunisation:

When entering South Africa, no international immunisation is required. However, a yellow fever vaccination certificate is required from travellers if they enter South Africa within 6 days of leaving an infected country.

Our advice: Visit your local (travel) doctor to get up-to-date information about requirements when travelling.

DTP inoculation (diphtheria, tetanus and polio) is essential. Please visit the following web page for advice from the UK Foreign Office:

<https://travelhealthpro.org.uk/country/201/south-africa>

Malaria:

The project is located in a malaria free area.

<http://www.sa-venues.com/malaria-risk-areas.htm>

HIV/Aids in South Africa:

As in other countries, HIV/Aids is a serious concern in South Africa and one you must be aware of. You should always be careful when dealing with an injured person to avoid the risk of infection. Always take necessary precautions and avoid sexual contact.

Sun:

South Africa has a warm sunny climate, you should wear sunscreen and a hat whenever you are out of doors during the day, particularly between 10am and 4 pm – regardless of whether there is cloud cover or not. Whatever your complexion you can still get sunburned if you are from a cooler climate. Sunglasses are also recommended as the glare of the African sun can be very strong.

USEFUL INFORMATION

AFRICA

What To Expect 'Weatherwise' From May To August

Be prepared for the chilly nights and crisp mornings during autumn and winter in South Africa.

Staying warm will be key to you enjoying your experience.

As the sun dips, the temperature will drop and can go down to near or below freezing, resulting in frost.

It is recommended that you layer smartly: avoid cotton next to the skin as it traps moisture and makes you colder. Keep spare socks and gloves in a sealed plastic bag to ensure dryness.

If you feel the cold, pack appropriately!

Currency & Credit Cards

The currency for South Africa is the South African Rand (ZAR). Foreign exchange may be arranged at the airport or in major centres. It is not recommended that travellers carry large sums of cash, keep a reasonable amount on hand and primarily use credit cards.

All major credit cards are widely accepted in main towns, although local communities only take cash.

Wise Travel Card offers up to £500.00 with no transfer fee for Gap Africa Project travellers:

<https://wise.prf.hn/l/XZJx9gq>

Tipping

Whilst there is no obligation, it is a nice gesture to show your appreciation for the rangers and housekeeping staff by leaving a small tip/donation for the staff at the reserve when you leave; any amount is always appreciated.

On day trips/excursions it is also a nice gesture to show your appreciation for the guide.

Phones & Internet

Mobile phone coverage is generally good at the project and in Port Elizabeth.

WiFi is available in the communal areas of the accommodation. Internet speeds are not up to international urban standards but are effective for communication.

Flightradar24 – very useful for tracking flights, showing departure times, any delays and flight location in travel.

Life360 – is great for following them on their journey.
