ABOUT THE PROJECT

Our sports coaching in more detail

ABOUT YOUR PROJECT

AFRICA

Project Location

Your Sport Coaching project is based in Port Elizabeth. The city is situated 800km from Cape Town and is known for its sunshine and safe sandy beaches .

Located on the South Eastern coast of Africa, this major sea port and tourist destination is set along the beautiful shores of Algoa Bay and is fondly referred to as the Friendly Eco-City.

Temperatures are moderate all year round with rain scattered throughout the year, the summers are warm with a very temperate humidity level, whereas the winters are mild and pleasant. There is a significant amount of water sports all year round; surfing, boardsailing and diving. Overseas tourists will be happy to hear that even at the seaside you can enjoy the awe inspiring wildlife of Africa because there are a number of wildlife reserves in the area around Port Elizabeth.

ABOUT YOUR PROJECT

AFRICA

Project Overview

Your role as a volunteer sports coach in South Africa will be to run and supervise all training and matches for the players in the local townships and schools in the surrounding area. Unless you are used to training young children this may sound like a daunting task however you will soon realise the local children whom you will teach are desperate to absorb your skills and knowledge of the game. This project is highly rewarding as the talent and enthusiasm is often present in the players that you will train however the experience of structured training and team formation is lacking.

You will not be alone on your project and will receive support from our in-country team and other volunteers as well as our local sports coaches who will point you in the right direction, offer training ideas and tournament concepts. You will soon develop your own training techniques, unique to you and your players and leave your project knowing you have made a genuine difference.

The coaching we offer is for the children in local townships and is as inclusive as possible, offering the opportunity to as many kids as we can. We aim to provide all year coverage so that there is maximum exposure for the township kids and although the majority of your placement will coincide with the school term, there may be times when there is a week or two of school holidays.

There is no less need for coaching at the holiday camps than in the term time, this is something that the kids have actually come to depend on and enjoy. This also allows coaching to be based in different areas and provides other kids with the opportunity to learn a new skill who cannot attend during term time. Needless to say, the kids love these coaching sessions both in the school term and in the holidays.

The actual amount of coaching varies very little for you and will take the same format as the coaching on the school grounds. The beauty about the holiday camps is that you can still continue to coach your particular sport for around 3 – 4 hours a day, but you will also have the opportunity to take part in many other activities and sports, should you wish.

Activities You Will Experience

- Sports coaching, including club training and match play
- Team tournaments
- Inclusive social activities:
 - Visit to Kragga Kamma (a local wildlife park)
 - Sundays River boat trip and beach braai (BBQ)
 - Visit to Jeffrey's Bay (home of surfing South Africa)

Equipment Donation for South Africa

We are dedicated to sustainable development. This is why part of the fee you pay goes towards buying decent equipment for beneficiary organisations in South Africa. You will often use this equipment during your project and it is always left with the community when you leave. In some cases, an equipment donation may not be appropriate, so a financial contribution is made instead.

ABOUT YOUR PROJECT

AFRICA

Project Overview

Sports Camps

The majority of your volunteer project will coincide with the school term but during school holidays you will be able to coach at sports camps in or around the Port Elizabeth area. There is a big need for volunteer coaches at these camps and they are a fantastic way of coaching sports to children who do not usually have access to sports during term time. The camps expose sport to a large number of African children and are something the young athletes have come to depend on and really enjoy. The camps also allow you to see other parts of South Africa that you would not otherwise experience.

Other Volunteer Projects

In addition to your main sports coaching project, you can get involved with some non-sports volunteer projects if you wish. Projects range from care work with orphans to teaching in local schools. And with a western education, you will be able to make a significant contribution to the standard of teaching that the young students receive. Subject areas include english, maths, science, business, IT plus a whole variety of extra-curricular activities. Many volunteers find this element of their volunteer trip one of the most rewarding.

Jeffreys Bay – J Bay

Experience the home of surfing in South Africa at Jeffrey's Bay. It is a surfer's haven on the Sunshine Coast and alongside its beautiful beaches (especially Dolphin Beach), has more attractions to offer than just surfing

Jeffreys Bay is a great place to simply hang out and indulge in a bit of retail therapy or great food in the seafront restaurants.

Alternatively, get active and take part in a multitude of outdoor activities such as learning to surf, stand-up paddleboarding, sandboarding, or just swimming in the sea.

Penguin and Seabird Rescue Centre

The Southern African Foundation for the Conservation of Coastal Birds (SANCCOB) Eastern Cape, located in Port Elizabeth (officially renamed Gqeberha), is a rescue facility for seabirds. Here, birds that have been oiled, stranded, injured or abandoned are nursed back to health. Their work is critical, as the African penguin population has recently declined.

You will have the opportunity to visit and have a tour of the Seabird Rescue Centre and learn more about survival of the critically endangered African Penguin and other seabirds in distress. There is a shop to buy souvenirs.

Lunch will be arranged at a beachfront restaurant and there may also be time to enjoy a stroll along the beachfront and take a walk down the length of Shark Rock pier.

River Cruise, Dancing, Dinner & Shopping

During your stay in Port Elizabeth, you will have free time to visit its beautiful beaches, explore the diverse wildlife and nature reserves, rich cultural heritage, friendly locals, and vibrant arts and food scene. It is an outdoor-lover's paradise.

- Sundays River boat cruise - observe native bird species and gaze in wonder at the towering Alexandria Dune Sea
- Traditional braai - South African social tradition centered around an outdoor barbecue, usually over a wood or charcoal fire
- Traditional gumboot dance lesson - a high-energy South African art form involving stomping, slapping, clapping, and sometimes singing or chanting, all performed while wearing wellington boots
- Traditional African 'bushcamp' - often referred to as a boma dinner, a cultural experience where guests dine around a central fire, enjoying local dishes and entertainment like storytelling, drumming, and traditional dancing under the stars
- Visit to Bay West Mall - the Eastern Cape's largest shopping centre, packed with retail, entertainment and food outlets

Parkrun (Hobie Beach)

Kick off your Saturday with the Hobie Park Run, a free and friendly 5km right on the beachfront. Whether you're here to compete, stay sharp, or just enjoy the vibes and socialise, this run is the perfect way to start your weekend.

The route takes you along the boardwalk to MacArthur Pools, onto the beach, and all the way to the harbour wall—touch it, turn around, and race back the same way. The finish is clearly marked near the grass embankment steps.

Why join?

- Great atmosphere with locals and visitors
- Scenic coastal route (yes, the beach stretch will test your legs!)
- Competitive edge: Your result includes Age Grading, letting you compare your performance against other athletes
- Completely FREE

Bring your energy, bring your barcode, and see how fast you can go!

5-a-Side Football

Fancy sharpening your competitive edge with the locals whilst in the sun? Five-a-side football is the perfect way to do it!

If you're new to the sport, here's what to expect:

- Each team plays with five players – four outfield and one goalkeeper.
- The action takes place on a smaller, fast-paced pitch with smaller goals and shorter match durations, meaning plenty of touches and constant involvement.
- You'll go head-to-head with local teams, giving you the chance to enjoy friendly competition, test your skills, and socialise with the Port Elizabeth community.

Matches take place every Wednesday – the perfect mid-week boost of energy, teamwork, and fun and all organised by the GAP Africa team.
