Shamwari Group Expedition

## Arrival at Johannesburg International Airport (OR Tambo)

Upon arrival at Johannesburg airport, you must clear passport control and collect your baggage from baggage reclaim before heading into the arrivals hall.

Either Carmen or Lesedi, the GAP Africa Projects representative, will meet you **next to the statue** as you come into the arrivals hall.

They will assist you in checking in for your onward flight at the Domestic Terminal, Terminal B, for your Safair flight to Port Elizabeth.

On arrival at Port Elizabeth Airport, you will be met by a representative from Wargan Tours to transfer you to Shamwari Game Reserve, the transfer will take approximately 2 hours.

If for any reason you cannot locate the representatives, please call:

Wargan Tours on +27 (0) 82 375 3597

## Practical Advice

### Power / Electricity

It is important that you take the right travel adapter so you can charge your phone and other devices whilst away.

### Drinking Water:

Drinking water is available at the project; always make sure you keep hydrated and have packed an insulated water bottle. We recommend taking concentrated squash as the water will taste different from home.

## Insurance

Personal travel insurance is compulsory. Travel insurance does not need to be expensive and there are many good deals available for backpackers etc. Always be sure to check the insurance details to make sure you are covered for Covid 19, theft, loss, illness and injury. Check to see if your medical benefits are paid out as they incur or on your return home.

You should select 'Adventure Pack' as this will cover you for the type of activities you will undertake during your trip.

## Passport Requirements

It can take up to 6 weeks to obtain a passport – remember to start this process in plenty of time.

Your passport needs to be valid for at least 30 days beyond your intended stay and have at least two blank pages.

## Stay safe overseas – KBYG

The better prepared you are when you travel abroad the safer you will be. The Foreign, Commonwealth and Development Office offers 'Know Before You Go' travel advice, including simple precautions you can take before and during your trip.

To find out more, check out their website:

<https://www.gov.uk/browse/abroad/travel-abroad>

## Visa Requirements

A visa is not required for British Passport holders, all other nationalities should check the requirements via the website below, if required a visa can be obtained from the South African High Commission.

<http://www.dha.gov.za/index.php/immigration-services/exempt-countries>

## Health Risks

### Immunisation:

When entering South Africa, no international immunisation is required. However, a yellow fever vaccination certificate is required from travellers if they enter South Africa within 6 days of leaving an infected country.

Our advice: Visit your local (travel) doctor to get up-to-date information about requirements when travelling.

DTP inoculation (diphtheria, tetanus and polio) is essential. Please visit the following web page for advice from the UK Foreign Office:

<https://travelhealthpro.org.uk/country/201/south-africa>

### Malaria:

The project is located in a malaria free area.

<http://www.sa-venues.com/malaria-risk-areas.htm>

### HIV/Aids in South Africa:

As in other countries, HIV/Aids is a serious concern in South Africa and one you must be aware of. You should always be careful when dealing with an injured person to avoid the risk of infection. Always take necessary precautions and avoid sexual contact.

### Sun:

South Africa has a warm sunny climate, you should wear sunscreen and a hat whenever you are out of doors during the day, particularly between 10am and 4 pm – regardless of whether there is cloud cover or not. Whatever your complexion you can still get sunburned if you are from a cooler climate. Sunglasses are also recommended as the glare of the African sun can be very strong.

## What To Expect 'Weatherwise' From May To August

Make sure you are ready for the **chilly nights** and crisp mornings during autumn and winter in South Africa. Staying warm will be key to you enjoying your experience.

The months of May to August are characterised by cool, dry, and sunny days with **very cold** nights. As soon as the sun dips, the temperature will drop and can go down to near or below freezing, resulting in frost.

It is recommended that you layer smartly: avoid cotton next to the skin as it traps moisture and makes you colder. Keep spare socks and gloves in a sealed plastic bag to ensure dryness.

Whilst blankets are provided, we also recommend a **sleeping bag liner** as well as the following kit list:

### Clothing & Layers

- Thermal base layers: Lightweight long-sleeve tops and leggings.
- Mid-layers: Fleece jackets/jumpers or wool sweaters
- Insulated outer layer: A down or synthetic-filled jacket
- Waterproof shell: Wind and water-proof jacket and trousers

### Accessories and Footwear:

- Beanie or woollen hat
- Thermal gloves or mittens
- Thermal socks (wool or synthetic; bring at least three pairs)
- Insulated hiking/walking boots: Waterproof, broken in, with good grip/sole
- Lip balm and moisturiser (such as Vaseline)
- Disposable or USB rechargeable heat packs

If you feel the cold, pack appropriately!

## Climate

Average temperatures in the Eastern Cape are shown on the graph.

During the months of April – November you should experience good weather. February is the warmest month and July the coldest. May is the driest month.

Have a look at the AccuWeather website, link below, for more information:

<https://www.accuweather.com/en/za/paterson/297631/weather-forecast/297631>

## Currency & Credit Cards

The currency for South Africa is the South African Rand (ZAR). Foreign exchange may be arranged at the airport or in major centres. It is not recommended that travellers carry large sums of cash, keep a reasonable amount on hand and primarily use credit cards.

All major credit cards are widely accepted in main towns, although local communities only take cash.

Wise Travel Card offers up to £500.00 with no transfer fee for Gap Africa Project travellers:

## Tipping

Whilst there is no obligation, it is a nice gesture to show your appreciation for the rangers and housekeeping staff by leaving a small tip/donation for the staff at the reserve when you leave; any amount is always appreciated.

## Phones & Internet

Mobile phone coverage is good at Shamwari, although there may be some areas on the reserve where there isn't any coverage.

Some Wi-Fi is provided free of charge at the accommodation. Internet speeds are not up to international urban standards but are effective for communication.

We have partnered with Holafly eSim provider 5% discount use code GAPAFRICAPROJECTS.

## Benefits of an eSIM

- Unlimited Data Plans
- Uses both Vodacom and MTN the two major networks in South Africa
- Keep your WhatsApp number
- Immediate Delivery

# ACCOMMODATION & LIFESTYLE

AFRICA

## Shamwari

You will be accommodated in a purpose-built lodge located on the reserve. Rooms are shared with ensuite bathrooms.

There is a communal area with lounge, bar and dining area as well as a small lecture room. There is a laundry service once a week.

The lodge grounds offer a swimming pool, large garden area and boma; enjoy sitting around the fire in the evening.

Internet access is available although speeds are not as good as in the UK.

## Food at the Project

Three meals are provided daily. Meals will either be taken at the accommodation or as a pre-packed serving, depending on planned or unscheduled activities.

## Dietary Requirements

Provision can be made for Vegetarian & Vegan diets and for those who have a medical condition such as Coeliac disease that requires a Gluten Free Diet and for those with severe allergies to dairy, eggs or nuts.
